~~PROPOSED~~  
**ORDER ON MOTION TO REQUEST  
STAY OF DISCOVERY AS TO  
CALIFORNIA DEPARTMENT OF  
WATER RESOURCES**

**ORDER**

The California Department of Water Resources appeared specially without waiving its claim of sovereign immunity or consenting to this Court's jurisdiction to file its Motion to Request Stay of Discovery as to California Department of Water Resources.

Having considered the Motion to Request Stay of Discovery as to California Department of Water Resources, as well as the parties' Revised Stipulated Discovery Plan And Scheduling Order (ECF#50); and finding good and sufficient cause and that it is in the interest of justice therefor; the Court hereby orders that the Department's motion is GRANTED, and discovery is stayed as follows:

The California Department of Water Resources is excused from participating in initial disclosures under Fed. R. Civ. P. 26 or in discovery procedures, until after the Court's issuance of a decision on the Department's motion to dismiss (ECF #32), or April 1, 2014, whichever is earlier. Nothing in this Order shall prevent the Department from voluntarily participating in depositions that may otherwise take place while this stay is in effect.

In the event the Court has not decided the Department's motion to dismiss by April 1, 2014, the Department shall have the right to seek an extension of this stay either by stipulation or by duly noticed motion. Any other party shall have the right to oppose such a request.

**IT IS SO ORDERED.**

DATED: December 23, 2013
